- l. his grandmother
- m. his little sister

Fill in the letters to the correct answers above to solve this Colorado geography question:

What ghost town once had a molybdenum mine?

1 6 3 2 4 5

What do you think?

Chris Sanders and Shane Carwin are very different, but they also have some things in common. Write a brief essay about how they are different and how they are the same, and tell which you think is more important: The ways in which they are different, or the ways in which they are alike?

Proofreading:

Look carefully at each underlined word or phrase. If there is a mistake, make the correction in the space above it. If there is no mistake, write "OK" above the underlined word or phrase.

My roll model would be my mom. She raised us three boys on her own and made sure that we had a education first.

Summarize the story:

Use three sentences to tell about Soles4Souls. Make sure to tell the most important parts of the story.

1.

2.

3.

Behind the story

The Body Worlds exhibit shows how muscles and organs work in a healthy, active body, and how they don't work as well in unhealthy bodies.

Read the example below, then look up the other organs and fill in the information for each:

Organ	Place in the body	Main function in the body
<i>heart</i>	<i>chest</i>	<i>helps to circulate blood</i>
<i>kidneys</i>		
<i>lungs</i>		
<i>liver</i>		
<i>larynx</i>
