What do you think?

Web cams are set up at nests and waterholes because animals come there often. Imagine that you are an animal and you've decided to set up a web cam so you can watch human beings in their natural habitat. Write a paragraph telling some of the places that you might set up your web cam.

Proofreading:

Look carefully at each underlined word or phrase. If there is a mistake, make the correction in the space above it. If there is no mistake, write "OK" above the underlined word or phrase.
